EXPLANATORY NOTES

Information contained in this report has been summarized from reports filed with the Commission.

The name of the issuer is followed by a brief description of the class of security, the name of the person or company reporting and his or its relationship to the issuer. If a person has an indirect interest in the securities reported, e.g., through holding companies, affiliate companies, partnerships, trusts or other entities, this is shown. Symbols are used in the column "Transaction and Ownership Symbol" to indicate the nature of ownership i.e., direct or indirect. Similarly the character of transactions is indicated provided the transactions are other than a purchase or sale. (See guide to symbols below):
